Event Name: Best Out of Waste

Description:
The Best Out of Waste event is a creative and eco-friendly cultural celebration that encourages participants to transform discarded materials into works of art. This event provides a platform for imaginative individuals and teams to showcase their resourcefulness and commitment to sustainability. Whether you're a seasoned

upcycler or someone who enjoys repurposing materials, the Best Out of Waste event promises an environment for artistic expression while emphasizing the importance of recycling and reducing waste.

Rules and Regulations:

1. **Team Composition:**
- Best Out of Waste is a team event, and each team can consist of a maximum of 2 to 4 participants.
- Participants can form their own teams or register individually and will be assigned to teams on the day of the event if they do not have a pre-formed team.

2. **Materials:**
- All required supplies will be provided by the event organizers.
- Participants are not allowed to bring their own art supplies for the competition

3. **Theme:**
- A theme or challenge will be provided to participants on the day of the event. All creations must adhere to this theme or challenge.

4. **Tools and Adhesives:**
- Participants can bring their own tools, adhesives, and paint for their projects.
- The event organizers will provide a basic set of common tools and adhesives for participants to use if needed.

5. **Time Limit:**

- Each team will have a specified time limit to complete their best out of waste project.
- Teams must manage their time efficiently to complete their

creations within the given timeframe.

6. **Judging Criteria:**

- Projects will be evaluated based on creativity, adherence to the theme or challenge, effective use of waste materials, and overall artistic impact.
- The decision of the judges will be final and binding.

7. **Fair Play:**

- Teams must demonstrate sportsmanship and respect for fellow participants and event organizers.
- Projects should be created within the designated work areas and boundaries.

8. **Display and Exhibition:**

- Completed projects will be displayed for all attendees and judges to see.
- Participants are encouraged to explain their creations to the audience, sharing their creative process and inspiration.

9. **Prizes:**

- Prizes will be awarded to the top-performing teams based on the judging criteria.

10. **Registration:**

 - Participants must register in advance to secure their spots in the event.
 - Registration details and deadlines will be communicated through college communication channels.
